

UNITY WITH DIVERSITY ***Mutual Respect***

Diversity strategy supporting lesbian, gay, bisexual, transgender, and intersex employees, their co-workers, families, and friends at Los Alamos National Laboratory

Ways to show support of your co-workers

- ◆ Remember...equality is not special treatment
- ◆ Display this support poster in your work location
- ◆ Inform people making offensive comments or jokes that it is inappropriate behavior
- ◆ Do not assume everyone is heterosexual
- ◆ Use inclusive language
- ◆ Include domestic partners and family
- ◆ Respect the privacy of individuals

Supporting gay issues does not mean you are gay...
